Child's Full Name:	Date of Birth:
Name Generally Used:	Date of Entry:
Child's Full Address:	

We accept the offer of a place at the School for our child named above and enclose a cheque / have arranged a direct bank transfer for **£250** as a deposit. (The deposit is not VAT-able until such time as it may be forfeited and applied towards amounts owing to School.)

We acknowledge receipt of these parent contract terms and conditions and agree that we and our child shall observe and comply with them and by the rules and regulations of the School.

By signing this Acceptance Form we confirm that:

- (a) all holders of parental responsibility for the child named above have signed this Acceptance Form and that no one else holds parental responsibility for him or her;
- (b) we, as holders of parental responsibility for the child named above, live together / separately (please delete as appropriate) at the address(es) shown below and we agree to notify the School immediately of any change of address or our family circumstances;
- (c) if applicable, we are not (either jointly or individually) in arrears on the payment of any fees or charges owing to our child's current (or previous) school or educational establishment;
- (d) unless otherwise notified to the School in writing before signing this Acceptance Form:
 - (i) there are no court orders in place in respect of the care or living arrangements of our child or the payment of fees for his/her education;
 - (ii) any information or circumstances about us and/or our child that has previously been notified to the School (including as part of the School's registration and admissions process) is and remains complete and accurate; and
 - (iii) our child has the right to enter, live and study in the United Kingdom and, if applicable, we have made appropriate arrangements for our child's visa application, travel, reception, living and care in the UK. If we require the School to sponsor our child and issue a Certificate of Acceptance of Studies (**CAS**) to our child so that they may apply for relevant permission to stay in the UK as a student (for which the School may charge an administration fee), we have previously notified the School of this. Please note, if the School has made your child a conditional offer, then it will not be able to issue you with a CAS until the conditions of that offer have been met.

Our deposit will be held by School as security and remains our property unless and until it is applied or forfeited in accordance with this contract when our child leaves School. At that time, we may instruct you to apply the deposit towards amounts we owe to School, otherwise it will be returned to us upon

our request. If we do not request the return of the deposit within three months of our child leaving School, then this will be taken as our instruction that we would like to donate the deposit to the School's bursary fund as a charitable donation.

IMPORTANT – *when you complete, sign and submit this Acceptance Form and pay the deposit, you and the School enter into a legally binding contract, upon the School's terms and conditions.*

If you subsequently change your mind and decide to withdraw your child before he or she takes up their place, you may lose your deposit and be responsible for paying us fees in lieu of notice – see Clause 3 of the terms and conditions for more information about this.

PLEASE NOTE:

Each person with parental responsibility for the child is required to sign this Acceptance Form. The School is entitled to treat any instruction, authority, request or prohibition received from one signatory as having been given on behalf of all signatories and therefore on behalf of all those with parental responsibility for the child.

Parental responsibility is defined in the Children Act 1989 as "all the rights, duties, powers and responsibilities and authority which by law a parent of a child has in relation to the child and his or her property". It equates to legal responsibility for the child. The child's mother automatically has parental responsibility for her child from birth. A father usually has parental responsibility if he's either: (a) married to the child's mother; or (b) listed on the birth certificate (after a certain date, depending on which part of the UK the child was born in). You can apply for parental responsibility if you don't automatically have it (for example in cases of adoption). Same-sex partners will both have parental responsibility if they were civil partners at the time of the relevant treatment. For same-sex partners who are not civil partners, the 2nd parent can get parental responsibility by either applying for parental responsibility if a parental agreement was made or becoming a civil partner of the other parent and making a parental responsibility agreement or jointly registering the birth. If you have any doubts about whether you do or do not have parental responsibility for the child you may wish to seek legal advice. BOLTON SCHOOL

PARENT CONTRACT TERMS AND CONDITIONS

What these terms cover. These are the terms and conditions on which we provide the Services (as defined below).

Why you should read them. Please read these terms carefully before you accept our offer of a place at the School for your child. These terms tell you who we are and how and on what basis the School will provide the Services.

In these terms you will see some parts written in bold or otherwise highlighted to stand out. This is to draw certain provisions to your specific attention because they are important to the good management and operation of the School and our provision of the services.

If you think there is a mistake in these terms, or if anything in these terms is unclear or you would like to have something further explained to you, then please contact the School to discuss.

1. **Definitions**

1.1 *Meanings of some words and phrases we use in these terms and conditions.* In these terms and conditions some words and phrases have particular meanings and it is helpful to ensure certainty and consistency to have them defined. Such defined terms are set out below and when used in these terms and conditions they shall have the meaning given to them here.

"**Acceptance Form**" means the form provided by the School for parents to complete when accepting a place for their child at the School;

"**child**" means a child of whatever age admitted by the School to be educated, and includes any pupil aged 18 or over;

"**Complaints Procedure**" means the School's procedure for handling complaints from parents, as amended from time to time for legal or other substantive reasons, or in order to assist the proper administration of the School. It is not intended to form part of the contract between you and the School. A copy of the most up-to-date procedure is on the School's website and is otherwise available from the School at any time upon request;

"**contract**" has the meaning given in Clause 1.3 below;

"**deposit**" means the amount set out and referred to as the deposit in the Acceptance Form;

"**Education Services**" means the School's provision of classes and lessons to your child;

"**fees**" means the School Fees plus any and all Specified Charges, being the total amount payable by you to the School for the Services each term;

"**fees in lieu of notice**" means a term's School Fees plus any Specified Charges, calculated in accordance with (as applicable) Clause 3.3 or Clause 5.1;

"**FIA Terms and Conditions**" means the supplemental terms and conditions relating to the School's fees in advance scheme;

"**Head**" means the person appointed by the Governors of the School to be responsible for (or to share in the responsibility for) the day-to-day running of the School, including anyone to whom such duties have been delegated;

"**Schedule of Fees**" means the list setting out the price for each of the Services notified to you from time to time, a copy of which remains available from the School at any time upon request;

"**School's Rules**" means the body of rules and policies of the School which set out our expectations concerning the conduct and behaviour of the pupils and parents, as may be amended from time to time for legal, safety or other substantive reasons, or in order to assist the proper administration of the School. A copy of the documents comprising the School's

rules and policies are available on the School's website and from the School at any time upon request;

"**Services**" means all the services to be provided by the School on the terms and subject to the conditions of this contract, including Education Services (which are covered by the School Fees) and any other Services (which are covered by a Specified Charge);

"**School Fees**" means the termly fees for the provision of Education Services, as set out in the Schedule of Fees;

"**Specified Charges**" means the charges for each Service excluding Education Services, as set out in the Schedule of Fees;

term" means a term of the School as notified to parents from time to time;

"**a term's notice**" means **written** notice given not later than the first day of the term *before* the term to which the notice relates. A full term's notice is required to withdraw your child from the School, from the coach service or from any other Specified Charges, so for example this means that if you wish to withdraw your child with effect from the start of the summer term (which is the term to which the notice relates) then a term's notice means you need to tell us in writing about the withdrawal, at the latest, on the first day of the spring term immediately before;

"**terms and conditions**" means these parent contract terms and conditions as may be amended from time to time;

"**we**" or the "**School**" means the legal entity carrying on as the School as identified in Clause 1.2 below; and

"**you**" or the "**parents**" means each person who has signed the Acceptance Form as a holder of parental responsibility for the child, or a person who with the School's express written consent replaces a person who has signed the Acceptance Form.

In these terms and conditions we sometimes provide illustrative examples to try and provide you with a better understanding of what we are referring to. We do this by using the words "**for example**", "**includes**" or "**including**". When we do use these words, it means that the examples that are given are not exclusive or limiting examples of the matter in question.

We also use headings to introduce separate provisions. These headings are for ease of understanding only.

1.2 *Who we are.* We are Bolton School Limited a company registered in England and Wales. Our company registration number is 05458883, our charity registration number is 1110703 and our registered office is at Chorley New Road, Bolton, BL1 4PA.

1.3 *Our contract with you.* The **Acceptance Form**, the **Schedule of Fees**, the **FIA Terms and Conditions** and these parent contract **terms and conditions** (as in each case may be amended from time to time) form the terms of an agreement (the "**contract**") between you and the School. It is not intended that the terms of this contract shall be enforceable by your child or by any other third party.

2. Acceptance and Deposit

2.1 *How you accept our offer of a place.* An offer of a place for your child at the School is accepted by your submitting the completed Acceptance Form and paying the deposit.

2.2 *The status of the deposit.* The deposit will be held as security to secure performance of your obligations under this contract. The deposit remains your property and does not form part of the general funds of the School unless and until it is applied or forfeited in accordance with this contract. Subject to Clauses 2.3 and 2.4, unless you would like to donate the deposit to the School's bursary fund, the deposit will be returned to you, without interest, on your child's leaving.

- 2.3 Circumstances where the deposit will not be returned to you. You authorise us, and we will be entitled to retain, deduct from or otherwise apply the deposit (as applicable), if:
- 2.3.1 you fail to pay the School's final invoice;
 - 2.3.2 you owe the School fees in lieu of notice (whether in accordance with Clause 3.1 or Clause 5.1);
 - 2.3.3 your child does not take up their place at the School, in accordance with Clause 3;
 - 2.3.4 your child is excluded or required to be removed from the School, in accordance with Clause 7.4.2; and/or
 - 2.3.5 the School terminates the Parent Contract, in accordance with Clause 14.
- 2.4 You must request the return of the deposit. If you do not request the return of the deposit within three months of your child leaving School, this will be taken as your instruction that you would like to donate the deposit to the School's bursary fund as a charitable donation.
- 2.5 Requirement for you to increase the deposit amount. We may ask you to pay a further sum to increase the deposit already paid, although we would only do this in exceptional circumstances.

PLEASE READ THIS NEXT SECTION CAREFULLY - *it deals with what you need to do if you wish to withdraw your acceptance of a place **before** your child joins the School and what happens if you withdraw at that stage.*

The cancellation of a place which has been accepted can cause losses to the School, especially if it occurs after other families have taken their decisions about their children's schooling. This is why we require the period of notice referred to in this section for a withdrawal, and why different consequences follow depending on whether we get that period of notice or not.

- 3. Withdrawing your Acceptance of a Place before your child joins the School**
- 3.1 Notice to withdraw your acceptance of a place before your child joins the School. **If you wish to withdraw your acceptance of a place BEFORE your child starts at the School you must either give us a term's notice to that effect or pay to the School a term's fees and specified charges in lieu of notice.** This means that if, for example, your child is due to start at the School in September (at the start of an academic year) then you would need to tell us in writing that you wish to withdraw your acceptance of their place on or before the first day of the preceding summer term (ie, the final term of the previous academic year) or pay the fees and specified charges in lieu referred to above.
- 3.2 If we receive a term's notice. **If you provide a term's notice, no further fees or specified charges will be payable but you will not receive a refund of the deposit (the only exception to this is if you are entitled to a refund of the deposit under Clause 2.2 above).**
- 3.3 If we do not receive that period of notice. **If you do not provide us with a term's notice (or if no notice is provided at all) a term's fees and specified charges will be payable by you and will become due and owing to the School upon demand as a debt. The term's fees and specified charges will be charged at the rate applicable for the term immediately preceding the term when your child was due to start. The School will credit the deposit you have paid (without interest or any entitlement to repayment under Clause 2.2 above) to the payment of the term's fees and specified charges you will owe us.**

4. School Fees, Specified Charges and Payment

- 4.1 School Fees. Unless set out in the Schedule of Fees or notified to you at any time, the School Fees cover the provision of Education Services.
- 4.2 Specified Charges. The Specified Charges are payable in respect of each Service excluding Education Services. Some Specified Charges are optional, and others are not optional. Please see the Schedule of Fees for further information. Any and all Services which are optional are supplied independently from each of the other Services. Any and all Services for which there is a Specified Charge are supplied independently from each of the other Services.
- 4.3 VAT and applicable taxes.
- 4.3.1 Except as expressly stated otherwise in the Schedule of Fees, all of the Fees and Specified Charges are exclusive of VAT and any other taxes which will be added (where applicable).
- 4.3.2 You may be required to reimburse the School for any costs or expenses we incur on your or on your child's behalf. If this happens, you must also reimburse the School for any VAT applicable on such costs or expenses, unless we are entitled to a credit or repayment from HMRC in respect of that VAT.
- 4.3.3 If the School at any time assesses (or HMRC at any time determines) that any of the Services supplied by the School under this contract are subject to VAT, and the School has not already charged you VAT on the applicable Fees for those Services, the School will promptly notify you and confirm the amount of VAT payable in respect of the relevant Fees and you will pay an amount equal to that VAT within fourteen (14) days of the School notifying you.
- 4.4 School Fees and Specified Charges will not be refunded or waived for absence through sickness, self-isolation, quarantine absence, family holidays or bank holidays.
- 4.5 What the School Fees do not include: Specified Charges. We refer to any items charged to you in addition to the School Fees as **Specified Charges**. By way of example, school lunches, exam fees and any extra-curricular activities (such as individual music lessons, trips and visits) in which you agree your child may participate and which need to be paid for, will be supplemental to items met by the fees and charged for accordingly as a specified charge. Additional charges incurred by the School in providing for the special educational needs of your child may also be charged as supplemental to the School Fee, subject to your child undergoing a reasonable adjustment test.

PLEASE READ THIS NEXT SECTION CAREFULLY - it deals with your responsibility to pay the fees and specified charges.

- 4.6 Who is responsible for payment. **Each of you who has signed the Acceptance Form is liable for and must ensure that all of the fees and specified charges due are paid to the School. This is because our contract applies to both of you together and each of you on your own.** Each person who signs the Acceptance Form therefore has an individual responsibility to ensure that, between them, the fees and specified charges owing to the School are paid. In practice this means that if fees or specified charges have not been paid then in order to recover the outstanding payments, the School can in its discretion seek payment of the amount outstanding from either parent or both parents. The only exceptions to this are set out in Clause 4.7 immediately below. Court orders (for example, where parents are separated or divorced) and other arrangements between parents or third parties relating to fees do not normally bind or apply to the School, and do not extinguish either parent's liability for the fees and specified charges due under this contract.

- 4.7 How one person can remove him/herself from their payment responsibility and circumstances where the School may agree to accept payment from a person who has not signed the Acceptance Form and is not a party to this contract. A person who has signed the Acceptance Form may be removed from their payment responsibility under this contract by submitting a term's notice but that person **must** have obtained the prior written consent of both the School and the other person who has signed the Acceptance Form before submitting such notice. Separately, the School may (without obligation to do so) agree in writing with each of you to accept payment from a third party (for example, a grandparent or employer), but this will not discharge your payment responsibility under this contract, unless and until we agree otherwise in writing.
- 4.8 How bursary and scholarship awards are treated. A bursary, scholarship or other financial award **may be withdrawn in accordance with (or by reference to) the terms upon which such award is made and/or if, in the opinion of the Head, your child's attendance, progress, performance and/or behaviour (and/or your behaviour or conduct (or the behaviour or conduct of one of you)) no longer merit the continuation of the award. Any such withdrawal of an award will not operate so as to increase the fees due in respect of a term which has already commenced.** Where it appears likely to the Head that an award may be withdrawn from your child, you will be notified in advance. If within fourteen (14) days following the withdrawal of a bursary, scholarship or other financial award your child is withdrawn from the School, no fees in lieu of notice will be payable by you. This will give you enough time to decide whether you want to continue to educate your child at the School.
- 4.9 How the fees and specified charges are charged and payment requirements. The annual fees and most specified charges are divided into three equal parts and are charged separately, on a termly basis regardless of the length of any term. An annual fee bill will be sent to you at the start of the Autumn term. You may pay by either termly or monthly instalments. The payment schedule which accompanies the fee bill will show the timing of either 3 termly payments falling due on the first day of each term or 12 monthly payments falling due on either the 3rd, 16th or 29th of each month. If you pay monthly, the monthly payment instalments collected from September through to December will relate to the first term's charge, from January through to April will relate to the second term's charge and from May through to August will relate to the final term's charge. For example, this means that monthly payment instalments for the third term remain due for each of May, June, July and August, even if your child leaves School in June. Direct debit is the preferred method of payment. **We may not allow your child to attend the School if you do not pay the amount due for each term on or before the due date(s) for that term's payment instalment(s).**
- 4.10 Payment of specified charges. All specified charges and payment terms will be clearly noted on the invoice.

PLEASE READ THIS NEXT SECTION CAREFULLY - it sets out what rights we have, and what action we may take, if fees and/or specified charges are not paid in accordance with these terms and conditions.

- 4.11 Non-payment of fees and/or specified charges: refusal to attend school. **We may refuse to allow your child to attend the School and/or withhold any references while fees and/or specified charges remain unpaid or if there is a persistent failure by you to pay the fees and/or specified charges on time.**
- 4.12 Non-payment of specified charges: refusal to participate in the relevant activity. **We may refuse to allow your child to participate in the relevant extra-curricular activity, or sit the relevant public examination(s), while the applicable specified charge for that activity or examination(s) remains unpaid.**

- 4.13 *We can charge interest if you pay late.* If you do not make any payment to the School by the due date for payment (see Clauses 4.9 and 4.10 above) we may charge interest to you on the overdue amount at the rate of 3 per cent a year above the base rate from time to time of the School's bank. Unless we tell you otherwise in writing, this interest will accrue on a daily basis from the due date until the date of actual payment of the overdue amount, whether before or after we obtain a court judgment against you. **You must pay the School the interest together with the overdue amount.**
- 4.14 *We can recover our costs for recovering late or non-payments.* You will be responsible for paying the costs we incur in recovering, or attempting to recover, any unpaid fees or specified charges from you (including reasonable legal costs).
- 4.15 *We can notify other educational institutions of your outstanding payments.* **We may inform any other school or educational establishment to which you propose to send your child of any outstanding fees or specified charges.**

PLEASE READ THIS NEXT SECTION CAREFULLY - *it sets our right to increase the fees during the course of your child's time at the School.*

- 4.16 *Our ability to increase the fees and specified charges.* **We will review our fees and specified charges during the course of your child's education (usually annually) and may increase them. Notice of an increase in the fees and/or specified charges will be sent to you before the end of the penultimate term before the increase is to take effect, for example, if the fees and/or specified charges are to increase at the start of the autumn term, we will notify you before the end of the preceding spring term. This will allow you time to consider the increase and, if you wish to withdraw your child from the School before the proposed increase is due to take effect, then you will have sufficient time to provide the required term's notice of withdrawal to the School under Clause 5.1 below.** In exceptional cases we may need to make a supplementary mid-year surcharge for certain items in addition to the fees and specified charges already notified to you. We would not normally expect this to be necessary, however it might occur if the cost of a specific commodity were to increase mid-year, exponentially. For example, if the price of fuel were to temporarily increase exponentially, then there may need to be a temporary surcharge applied to coach fares.
- 4.17 *Fees and specified charges will not be reduced due to your child's absence.* Fees and specified charges will not be reduced or refunded as a result of absence due to illness, self isolation, quarantine requirements or otherwise, or as a result of your child being required to study from home as a result of us providing educational services remotely for whatever reason. If your child takes study leave at home before or during examinations, or stays at home following those examinations, or if a term is shorter than others (or shortened), no reduction of fees or specified charges will be made in respect of any periods spent at home.
- 4.18 *Information on your identity and the source of funds.* From time to time we may ask you to provide us with information, that we consider to be satisfactory, so that we can verify your identity and/or place of residence, your child's identity, your child's right to enter, live and study in the United Kingdom; and the source of funds you are using to pay the fees. You must provide the School with the information and documentation we ask for.
- 4.19 *Allocation of payments to your fees account.* Except where expressly agreed with you to do otherwise, the School shall be entitled to allocate payments from you to your account as it sees fit. For example, the School shall be entitled to allocate a payment made in respect of one child to the unpaid account of any other child of yours at the School.

- 4.20 How fees and specified charges are discharged under our 'Fees In Advance' (FIA) scheme, and your continued responsibility to pay any outstanding or additional amounts still owed to the School. Where you and the School have entered into an agreement incorporating the FIA Terms and Conditions (ie, where you have made a 'lump sum' capital payment in respect of all or part of the fees and specified charges due under this contract) the School will administer that lump sum to meet the fees and specified charges pursuant to the FIA Terms and Conditions but you will still need to meet the difference (if any) between the amount per term applied by the School under the FIA Terms and Conditions and the total fees and specified charges due in respect of your child each term under this contract. The School will provide an annual statement of account in respect of the fees and specified charges and the difference will be payable in accordance with the terms of this contract.

PLEASE READ THIS NEXT SECTION CAREFULLY - it sets out what period of notice we require from you if you wish to withdraw your child from the School or remove your child from participating in an activity for which there is a specified charge.

Due to the termly organisation and allocation of resources we will charge you if you do not provide us with the required period of notice. In such circumstances we require you to pay us a sum equivalent to the fees and/or specified charges you would have paid had the required period of notice been given – we refer to the relevant sum as "**fees in lieu of notice**" or "**FILON**".

5. Notice Requirements

- 5.1 Notice to withdraw your child from the School. **If you wish to withdraw your child from the School (other than at the normal leaving date which is at the end of year 13), you must either give us a term's notice to that effect or pay to the School a term's fees and specified charges in lieu of notice, at the rate that would have been charged for the final term of provision if a term's notice had been given.** The School will credit the deposit you have paid (without interest or any entitlement to repayment under Clause 2.2 above) to the payment of any such fees and specified charges in lieu of notice. This means that if, for example, you wish to withdraw your child with effect from the start of the autumn term (ie, at the start of an academic year) then you would need to tell us in writing that you wish to withdraw your child on or before the first day of the preceding summer term (ie, the final term of the preceding academic year) or pay the fees and specified charges in lieu of notice referred to above. **The requirement for this notice to be given applies to all pupils including those who will not be transitioning from Pre-School to Infants, from Infants to Juniors, and from Juniors to Seniors – in all of these cases you must give us a term's notice if you wish to withdraw your child from School.**
- 5.2 When the relevant amount in lieu of notice must be paid. In cases under 5.1 above, the appropriate amount of fees and specified charges in lieu of notice will become payable by you upon demand as a debt.
- 5.3 Notice to withdraw your child from participating in an activity covered by a specified charge. If you wish to withdraw your child from an activity charged for as a supplemental specified charge, you must either give a term's notice to that effect or pay to the School as a debt a term's charges for the activity in which your child has ceased to participate. For example this includes the coach service described in clause 5.5.
- 5.4 Withdrawal part-way through a term does not reduce the amount you owe to the School. **It is not possible for you to reduce the amount of fees or specified charges due, or to obtain a refund of fees or specified charges, by withdrawing your child or by your child's ceasing to participate in an activity part-way through a term.**
- 5.5 Notice to withdraw your child from the School's coach service. **If you wish to withdraw your child from the School's coach service (other than at the normal leaving date which is at the end of year 13), you must either give us a term's notice to that effect or pay to the**

School a term's coach fees in lieu of notice as a debt, at such rate as would have been charged for the final term of provision if a term's notice had been given. If the Pupil behaves in a manner that compromises the safety or well-being of the driver or other passengers on the coach, or in any way breaches the School's disciplinary policy while using the coach service, the place will be cancelled and there will be no refund of fees paid. No refund of fees will be given where the coach route is altered due to circumstances beyond the control of the School.

6. School's Rules

6.1 Compliance with the School's Rules. It is a condition of remaining at the School that you and your child comply with the School's Rules. In addition, you must ensure that your child attends School in accordance with our Attendance Policy, attends punctually and that your child conforms to any rules of appearance, dress and behaviour as we may issue (if not already included within the School's Rules).

6.2 We may undertake drug and/or alcohol testing of your child. This would be performed under medical supervision where the taking of drugs and/or alcohol in breach of School rules is suspected, with the aim of safeguarding the health and safety of all pupils.

6.3 Monitoring your child's telephone, email and messaging communications, internet and Wi-Fi use, and use of social media. The School may, subject to applicable data protection legislation, monitor your child's telephone, email and messaging communications, internet and Wi-Fi use, and use of social media. We may do this for various reasons, including ensuring compliance with the School's Rules or where it is appropriate for the School to do so (or indeed necessary) in connection with the School's legal and/or other duties and responsibilities or other legitimate purposes or good practice requirements.

7. Suspension, Exclusion and Required Removal

7.1 The Head's discretion to suspend or exclude your child from the School. The Head may in his or her discretion suspend or, in serious or persistent cases, exclude your child from the School if the Head considers that your child's conduct or behaviour (including behaviour or conduct outside school) is unsatisfactory and the suspension or exclusion is in the School's best interests and/or those of your child or other children.

7.2 Where you can find examples of offences punishable by suspension or exclusion. The School's Exclusion, Removal and Review Policy and Procedure sets out examples of offences likely to be punishable by suspension or exclusion. These examples are not exhaustive and the Head may decide that suspension or exclusion for a lesser offence is justified where there has been previous misbehaviour. All aspects of your child's record at the School may be taken into account.

7.3 The Head's discretion to require you to remove your child from the School. Instead of exclusion or suspension, the Head may in his or her discretion require you to remove your child from the School if the Head considers that:

7.3.1 your behaviour or conduct (or the behaviour or conduct of one of you): is unreasonable; and/or adversely affects (or is likely to adversely affect) your child's or other children's progress at the School, or the wellbeing of School staff; and/or brings (or is likely to bring) the School into disrepute; and/or is not in accordance with your obligations under this contract; or

7.3.2 your child's attendance or progress at the School is unsatisfactory and, in the reasonable opinion of the Head, the removal is in the School's best interests and/or those of your child or other children.

7.4 What happens if your child is suspended, excluded or removed from the School.

7.4.1 Should the Head exercise his or her right under either Clause 7.1 or Clause 7.3 above you will not be entitled to any refund or remission of fees or specified charges due (whether paid or payable) in or relating to the term in which your child is excluded, suspended or removed and the deposit will be forfeited and retained by the School except in cases of required removal under Clause 7.3.2 then the deposit will be credited in the usual way (see Clause 2.3).

7.4.2 In respect of exclusions and required removals, fees in lieu of notice will **not** be payable and any fees and/or specified charges that have been prepaid for or relating to any term after the term in which the exclusion/required removal occurred will be refunded.

7.5 Impact of exclusion or required removal on this contract. This contract will terminate with immediate effect if your child is excluded or if you are required to remove your child from the School.

7.6 Your right to have decisions to exclude or require the removal of your child reviewed. You are entitled to have any decisions taken by the School and/or Head to exclude or require the removal of your child under this Clause 7 reviewed. Any such review shall be governed by the School's Exclusion, Removal and Review Policy and Procedure.

8. The School's Obligations

8.1 The period of your child's schooling. Subject to these terms and conditions, the School will accept your child as a pupil of the School and register your child on the School's statutory register from the time of joining the School until the end of his or her schooling. The School shall not be obliged to permit your child to enter the Pre-School, Infant, Junior, Senior School or Sixth form unless satisfied that it is appropriate to do so having regard to his or her academic attainments and all other relevant circumstances. The School may make a decision as to whether your child may join the Sixth form after the results of GCSE or equivalent examinations are known, and may make entry to the Sixth form conditional upon the results of such examinations. **However, except where the School agrees otherwise in writing and even where the School has imposed conditions on entry into the Sixth form, if you wish to withdraw your child prior to entering the Sixth form, Clause 5.1 applies and you will either need to give us a term's written notice or pay us a term's fees and specified charges in lieu of notice.**

8.2 The scope of our duty to exercise reasonable skill and care for your child's education and welfare. While your child remains a pupil of the School, we will exercise reasonable skill and care in respect of his or her education and welfare. This obligation will apply during school hours and at other times when your child is permitted to be on School premises or is participating in activities organised by the School. **We cannot accept any responsibility for the welfare of your child while off the School premises unless he or she is taking part in a school activity or otherwise under the direct supervision of a member of School staff.**

8.3 Consent to participation in trips and visits, in contact sports and in other sports activities. Unless you notify us to the contrary, you consent to your child participating, under supervision, in contact sports and in other sports activities which may entail some risk of physical injury. You also consent to your child participating in trips and visits organised in the normal course of your child's schooling.

8.4 What happens if your child needs urgent medical attention. If your child requires urgent medical attention while under the School's care we will try to contact you and if practicable we will share information from your child's medical file with the doctor or other medical practitioner.

- 8.5 *Our right to make changes at the School.* Our prospectus and website describe the broad principles on which the School is presently run. However, from time to time it may be necessary to make changes to any aspects of the School, including to the curriculum or to the manner of providing education for your child (including by providing such education remotely (whilst your child remains at home, for example, where the School is required to close the School premises)).
- 8.6 *We will give you notice of significant changes.* Where practicable we will give you notice of any planned changes that we regard as significant to your child's education prior to the end of the penultimate term before the change is to take effect. This will allow you time to consider the proposed change and, if you wish to withdraw your child from the School before the proposed change is set to take effect, then you have sufficient time to provide the required term's notice of withdrawal to the School under Clause 5.1 above.
- 8.7 *Monitoring your child's progress at the School.* We will monitor your child's progress at the School and produce regular written reports. **We will advise you if we have any serious concern about your child's progress but we do not undertake to diagnose dyslexia, ADHD, dyspraxia, dyscalculia or other conditions.** A formal assessment can be arranged either by you or by the School at your expense. If you have any concerns which suggest to you that your child has a Special Educational Need or Disability, you should raise these with your child's headteacher or another suitably senior member of staff, such as the Head of Learning Support/ SENCO or equivalent in your child's School. You should not seek a diagnosis by an outside practitioner before discussing the situation with the School as the School is obliged to validate the credentials of any practitioner on whose report the School relies, for example for access arrangements in external examinations.
- 8.8 *Religious observance and relationships and sex education and health education.* Religious observance, relationships and sex education and health education at the School will be conducted in accordance with the School's rules.
- 8.9 *Consent for educational visits and transport.* Unless you notify us to the contrary, you consent to your child participating in educational visits which do not involve an overnight stay, travel overseas or hazardous activities. You consent to your child travelling by any form of public transport and/or in a vehicle driven by a responsible adult who is duly licensed and insured to drive the vehicle.
- 9. The Parents' Obligations**
- 9.1 *We require your co-operation.* In order to fulfil our obligations under this contract and to maintain a constructive relationship with you, we, the Head and School staff, need your co-operation, including in particular by you fulfilling your own obligations under this contract.
- 9.2 *Examples of the co-operation and assistance we require.* You must co-operate with the School and School staff in good faith, including by:
- 9.2.1 maintaining a constructive relationship with School staff, acting reasonably and ensuring the tone, content, volume and/or nature of your communications with the School are reasonable and appropriate;
 - 9.2.2 encouraging your child in his or her studies, and giving appropriate support at home;
 - 9.2.3 keeping the School up-to-date and informed about matters which affect or may affect your child (including circumstances which arise at any time that affect or may affect your ability to pay the fees and specified charges as well as any changes to their immigration status);

- 9.2.4 ensuring that all details or other information notified or otherwise disclosed to the School about you and/or your child are accurate, truthful and not misleading and that relevant details and information (or changes to them) are not withheld;
- 9.2.5 providing cooperation and assistance to the School so that your child can participate in, and benefit from, the School's provision of education;
- 9.2.6 attending meetings and keeping in touch with the School where your child's interests so require;
- 9.2.7 ensuring your child's participation in School sports takes precedence over commitments to sports and other clubs outside the School. Any waiver of this requirement shall be at the sole discretion of the Head following the Parents' written request; and
- 9.2.8 ensuring that your child attends School punctually every day that School is in session unless you have provided a legally valid reason why s/he is unable to do so, for example because s/he is unwell, or you have received authorisation from the Head that s/he may be absent, for example to take part in a sports fixture arranged by a body other than School.
- 9.3 *You must notify us of your child's health/medical conditions, including any medically diagnosed allergies or special educational needs.* **It is a condition of your child's joining and remaining at the School that you complete and submit to the School a medical questionnaire in respect of your child.** You must inform the School of any health or medical condition, special educational need(s), disability or allergies that your child has or subsequently develops, whether underlying long-term or short-term, including any infections. You must also provide us, whether upon further request by the School or otherwise, any reports or other materials relevant to any of the same. **If you withhold from us or otherwise misrepresent to us information of this nature in particular, please be aware that this may result in us exercising our right to end this contract under Clause 14.1.2 below.**
- 9.4 *Circumstances where we may require you to keep your child away from School.* If the School so requires due to a health risk either presented by your child to others or presented to your child by others or by reason of a virus, pandemic, epidemic or other health risk, you may be required to keep your child at home and not permit him/her to return to the School until such time as the health risk has passed. Where it is considered appropriate, we will try to continue providing education to your child remotely during such period (including, for example, by sending you/your child work assignments electronically or by post).
- 9.5 *You must notify us of any special arrangements needed for your child.* You must inform the School of any situations where special arrangements may be needed for your child, including for their education or welfare.
- 9.6 *You must notify us of any court orders that relate to, or that may impact upon, the provision of education to your child.* You must inform the School if, at any time prior to or during your child's time at the School, a court order is put in place or an undertaking is given to a court in respect of (or relating to) your child's attendance at the School (including its premises) and/or the School's provision of education to your child. This would include any court order or undertaking given to a court which may deal with or impact upon in any way: (i) your child's living and/or contact arrangements; (ii) your child's education, welfare and/or upbringing; (iii) the payment of fees and/or specified charges; and/or (iv) your exercise of parental responsibility in respect of your child. In any such circumstances you must (whether upon request or otherwise) promptly provide the School with relevant information, including copies of the relevant court order(s) or undertaking(s) (or the relevant parts of them) having obtained the permission of the court if necessary.

- 9.7 *We are entitled to expect that parents have consulted with each other regarding decisions relating to their child.* You (and each of you as the holders of parental responsibility for your child) acknowledge and agree that the School is entitled to assume that you have consulted with each other so far as significant decisions regarding your child are concerned. Accordingly, you (and each of you) accept that the School is entitled to treat:
- 9.7.1 any instruction, authority, request or prohibition received from one of you as having been given on behalf of both of you; and
 - 9.7.2 any communication from the School to one of you as having been given to both of you.

PLEASE READ THIS NEXT SECTION CAREFULLY – *it sets out who needs to sign a notice of withdrawal of your child.*

- 9.8 *You must notify us of your child's absence from School.* The School must be informed as soon as possible by telephone or by email on the day of absence of any reason for your child's absence from School. The School may make separate provision for this reason to be confirmed in writing on the child's return to School. Absence is only permissible for illness, without prior authorisation of the Head. Reasons for authorised absence are in line with national guidelines.
- 9.9 *Parents must notify us if they will be absent for a period of time.* If at any time during your child's time at the School you (or either of you) will not be in the United Kingdom overnight or will otherwise be absent from your main residential address overnight then you must inform the School immediately in writing and provide the details required by the School as a result, including the name and contact details for a 'responsible adult' for the period of your absence. For the avoidance of doubt, this includes Sixth Formers and all pupils. The 'responsible adult' (or 'educational guardian') amongst other things, can be contacted if the School is not able to contact you, in order to make decisions relating to your child, and can look after your child in your absence. If your child's visa is sponsored by the School as a Child Student, then this is a requirement of their visa.
- 9.10 *Raising concerns with the School and making formal complaints.* If you have cause for concern as to a matter of safety, care, discipline or progress of your child you must inform the School without undue delay. Complaints should be made in accordance with the Complaints Procedure. A copy of the most up-to-date version of the Complaints Procedure is on the School's website and is otherwise available from the School at any time upon request.

10. Insurance

Your responsibility to make your own insurance arrangements. You must make your own insurance arrangements if you require cover for your child or their property while at School or for the payment of fees due to absence of your child or closure of the School premises.

PLEASE READ THIS NEXT SECTION CAREFULLY – *Although there will be circumstances when it is appropriate to seek parental consent, children's data protection and privacy rights are their own. The law considers that children of average maturity will, from the age of around 12 have sufficient awareness of their own privacy to make certain choices relating to their personal data themselves. Parents' views remain important, but sometimes the law will require us to give more weight to the decision the child makes about his or her own privacy.*

For most purposes, it will not in fact be necessary or practical for us to obtain consent from you (or your child) for the use we make of your (or your child's) personal data. The law recognises this but also requires that, as far as possible, we set out clearly what these uses will be. Please also see our 'Privacy Notice' which is available on the School's website.

11. **How we may use Personal Information: References, Confidentiality and Data Protection**

11.1 References for your child. We may supply information and a reference in respect of your child to any educational institution which you propose your child may attend or, where applicable, to any prospective employer. Any reference supplied or received by us will be confidential. We will take care to ensure that all information that is supplied by us relating to your child is accurate and any opinion given on his/her ability, aptitude for certain courses and character is fair. However, we cannot be responsible for any loss you are or your child is alleged to have suffered resulting from opinions reasonably given, or correct statements of fact contained, in any reference or report given by us.

11.2 We will need to use information relating to your child, and to you, for certain purposes connected with the running of the School. This will include name, contact details, school records, photographs and audio-visual recordings (including recordings of lessons), both whilst your child is at the School and after he or she has left, for the purposes of:

11.2.1 managing relationships between the School and current pupils/parents and fulfilling our obligations to you, including educational and examination purposes, safeguarding, statutory reporting, health and safety, complaints, administration and processing of fees;

11.2.2 promoting the School to prospective pupils/parents;

11.2.3 publicising the School's activities; and

11.2.4 communicating with the school community and the body of former pupils.

In respect of sub-clause 11.2.2 this includes use of such information by the School in/on the School's prospectus (in whatever format or medium it is produced/made available), the School's website(s) and (where appropriate) the School's social media channels.

11.3 You are required to update us of changes to information held, or in circumstances relating to, you and/or your child. You must:

11.3.1 confirm (or update, if necessary), when requested, such information (and/or documentation) about you and/or your child that is held by the School; and

11.3.2 inform the School of any change to your or your child's circumstances (including, where applicable, in connection with your child's entitlement to enter, reside and/or study in the United Kingdom), or to information about you or your child that has previously been notified to the School, including relevant contact details.

11.4 We will send information (eg. school reports) about your child to both of you as a matter of course. Any person who has parental responsibility for your child is entitled to receive certain information about your child from the School (including school reports, correspondence and other materials relating to his or her progress, development and/or education generally). The School will therefore disclose such information as a matter of routine to each such person unless the School is restricted from doing so by a court order (or similar direction) or by any other legal requirement or obligation (for example, under data protection law).

11.5 Data Protection Law. The School will process personal data about you and your child in accordance with data protection law, including the Data Protection Act 2018 (as it is amended or superseded) and other related legislation. We will process such personal data:

11.5.1 as set out in this Clause 11, and in the School's 'Privacy Notice' which is available on the School's website as may be amended from time to time;

- 11.5.2 in order to comply with any court order, request from or referral to an appropriate authority, or legal, regulatory or good practice requirement; and
- 11.5.3 to perform our obligations under this contract, and where otherwise reasonably necessary for the school's purposes.

11.6 As a 'Child Student and/or Student Sponsor' school we need to provide certain information to the Home Office. In order to comply with our responsibilities as a licensed *Child Student and/or Student Sponsor* for immigration purposes. For example, by providing information relating to your child's right to enter, reside and/or study in the United Kingdom to the Home Office (and to do so whether your child is a sponsored child or not). Such information may include information about your child's immigration status, attendance records, and any changes in your or your child's circumstances (including where your child is excluded, required to be removed, or this contract is terminated). Occasionally, information regarding your immigration status in the UK may also be required.

12. **Intellectual Property Rights**

Recognising these rights. We shall recognise any intellectual property rights created, generated or owned by or vested in your child. Conversely materials used that were provided by School shall remain the property of the School.

13. **Changes in Ownership, etc**

The circumstances in which we may transfer this contract to someone else. We may transfer our rights and obligations under this contract to another person or organisation. We will tell you in writing if this happens and we will ensure that the transfer will not affect your rights under this contract.

PLEASE READ THIS NEXT SECTION CAREFULLY - it sets out the rights we have, and that you have, to cancel this contract early (that is, before the normal leaving date for the end of your child's schooling).

14. **Ending this Contract**

14.1 Our rights to end the contract. In addition to where this contract is terminated automatically as a result of an exclusion or required removal under Clause 7, the School may end this contract at any time by notice in writing to you, without any obligation to return any deposit or fees paid to you, if:

14.1.1 you do not make a payment to us when it is due and you still do not make payment within fourteen (14) days of us reminding you that such payment is due;

14.1.2 you (or either of you) make a serious misrepresentation of facts or circumstances to us, or you (or either of you) withhold important information from us, about you and/or your child or that is relevant to the provision of education by the School to your child (such as misrepresenting at any point in time (and whether by act, omission or withholding of information on your part) that you and/or your child is legally entitled to enter, reside and/or study in the United Kingdom when in fact you/your child is not or any information about your child's health, medical condition, special educational needs, disability or allergies);

14.1.3 you fail or refuse to complete and submit to the School a medical questionnaire in respect of your child;

- 14.1.4 you fail or refuse to provide us with information we consider to be satisfactory as to your identity/residence, your child's identity, your child's right to enter, live and study in the United Kingdom, or the source of funds you are using to pay the fees, as required under Clause 4.18. Instead of ending this contract, we may otherwise refuse to allow your child to attend school until the relevant satisfactory information has been provided. For example, your child may not be permitted to attend school unless and until they have a valid visa;
- 14.1.5 you (or either of you):
- (a) are unable, following our request, to demonstrate that you will be able to pay the fees and specified charges due under this contract;
 - (b) repeatedly or persistently fail to pay the fees on time;
 - (c) are otherwise unable to pay your debts as they fall due;
 - (d) are the subject of a bankruptcy petition or order; or
 - (e) you enter into an individual voluntary arrangement; or
- 14.1.6 you otherwise do not comply with (ie, you breach) your obligations under this contract such that we have a legal right to end the contract because of something you have done wrong or, in the Head's reasonable discretion, the School is not able to provide, or is compromised in providing, the educational services it needs to in satisfaction of its obligations under this contract.

14.2 *Your rights to end the contract.* You may end this contract at any time by notice in writing to the School if:

- 14.2.1 you have a legal right to end the contract because of something we have done wrong; or
- 14.2.2 the School becomes insolvent or goes into liquidation or receivership or administrative receivership or is wound-up for any reason.

14.3 *When this contract will end if not terminated early.* For the avoidance of doubt and without us having to provide you with notice, this contract shall end at the end of your child's schooling at the end of year 13. (This may be at the end of the year 11 if your child does not meet any requirements imposed by the School under Clause 8.1 for entry to the sixth form.)

14.4 *Ending the contract will not affect any accrued rights.* Once this contract ends, it will not affect any legal rights or obligations that either you or we have that may already have arisen, for example your obligation to pay any outstanding invoices, fees, or specified charges. After this contract ends, you and we will keep any rights we each have under, or as a matter of, general law.

15. Events outside of our, or your, control

15.1 *What we mean by an "event outside of our/your control".* We mean any event beyond either your or our reasonable control including acts of God, war, riot, civil commotion, compliance with any law or governmental order, rule, regulation, guidance or direction (including that of a local authority), accident, fire, flood, storm, pandemic or epidemic of any disease, terrorist attack, chemical or biological contamination. In the remainder of this Clause 15 we shall refer to such events outside of our/your control as an "**event**".

15.2 *What happens if we are affected by an event outside of our control.* If an event arises which prevents or delays the School's performance of any of its obligations under this contract, the

School shall give you notice in writing specifying the nature and extent of the circumstances giving rise to the event. Provided that the School has acted reasonably and prudently to prevent and/or minimise the effect of the event, the School will not be responsible for not performing those of our obligations which are prevented or delayed by, and during the continuance of, the event. To the extent reasonably practicable in the circumstances the School shall try during the continuance of the event to continue to provide educational services (including by providing appropriate educational services remotely).

- 15.3 Events lasting more than 6 months. If the School is wholly and completely prevented from performing all of its obligations as a result of an event (and is unable to provide educational services remotely) for a continuous period of more than six (6) months, the School shall notify you of the steps it plans to take to ensure performance of the contract after such period and you shall then, following receipt of such notice, be entitled to end this contract on written notice to the School and without giving a term's notice or paying fees in lieu of notice.
- 15.4 What happens if your child is affected by an event outside of your control. Subject to Clause 4.15 (which means that you are not entitled to a refund or reduction in fees in cases of illness or absence), if your child is wholly and completely unable to participate in the provision of any education at School or remotely due to reasons caused by an event you shall give the School notice in writing of such circumstances and the following provisions shall apply:
- 15.4.1 in consultation and cooperation with the School you shall do everything you reasonably can to minimise the impact of the event in order to continue to perform your obligations under this contract in any way that is reasonably practicable in the circumstances; and resume the performance of the obligations as soon as reasonably possible;
- 15.4.2 in circumstances where, following the efforts made and steps taken under sub-clause 15.4.1 above, your child is not able to participate and benefit from any level of provision of education by the School (whether at School or remotely) then you shall not be responsible for failing to perform your obligations (including the obligation to pay fees, pro-rated accordingly) during the continuance of the event; and
- 15.4.3 if the event continues to prevent your child wholly and completely from attending the School or being able to participate and benefit from any level of provision of education by the School (whether at School or remotely) for more than six (6) months you shall discuss with the School a solution by which this contract may be performed and, following such discussions, you or the School shall be entitled to cancel the contract on written notice and without you being required to give a term's notice or to pay a term's fees in lieu of notice.

16. Communications between you and the School

- 16.1 Notices must be in writing. When this contract requires you or the School to give notice of something to the other then, unless we agree otherwise, this should be done in writing.
- 16.2 We will use the contact details held by the School to contact you. Communications (including notices) will be sent by the School to you at the address(es) shown in our records, or using your other contact details included in our records. **You must notify the School of any change of address(es) or other contact details.**
- 16.3 How to provide written notice to the School. Notices that you are required to give under these terms and conditions must be **in writing** addressed to the Head and either:
- 16.3.1 emailed to the Head;
- 16.3.2 delivered by hand to the School, addressed 'For the Attention of the Headteacher';

- 16.3.3 sent to the School by recorded or other form of registered post requiring a signature upon receipt as proof of delivery; or
- 16.3.4 otherwise sent to the School's address by first or second class post, addressed 'For the Attention of the Headteacher'.

In light of the importance under this contract of serving certain notices on or before a particular deadline (and the consequences that follow if you do not do so) we recommend that if you provide notice under any of **Clauses 3, 4.7, 4.16, 5.1, or 5.3 of these terms and **conditions (which are the provisions dealing with withdrawing your child from the School or otherwise changing their place), that you telephone the School to confirm receipt if you have not received an acknowledgement from us within 48 hours after sending the notice.****

17. The Law that applies to this contract and where legal proceedings may be brought

- 17.1 *The law that applies to this contract.* The contract between you and the School is governed by English Law and either you or the School must bring legal proceedings in respect of this contract in the English courts.
- 17.2 *Rights in relation to the enforcement of this contract.* If we choose not to enforce any part of this contract, or delay enforcing it, this will not affect our right to enforce the same part later (or on a separate occasion) or the rest of this contract. If we cannot enforce any part of this contract, this will not affect our right to enforce the rest of this contract.

18. Changes to these Terms and Conditions

Reserving the right to change these terms and conditions. We reserve the right to change or add to these terms and conditions from time to time for legal, safety or other substantive reasons or in order to assist the proper delivery of education at the School. The School will send you notice of any such modifications prior to the end of the penultimate term before the modifications are to take effect.

For example, if the updated terms and conditions are to take effect at the start of the autumn term, we will notify you before the end of the preceding spring term.
